Bridges of Faith Building a Relationship With a Sister Parish

Dennis P. O'Connor

Bridges of Faith: Building a Relationship With a Sister Parish serves as the ultimate source and guidebook for members of churches, schools and other faith communities who would like to establish a faith-based partnership with a "twin" parish in another region or country. *Bridges of Faith* provides detailed accounts of how individuals and parishes have become involved in and initiated their own partnerships and what they have experienced in these fruitful and spirit-filled relationships. With this easy-to-read and helpful guidebook, anyone, anywhere can begin to build a bridge of faith and hope today.
