

Calling all Rosary Makers:

The Archdiocese of Cincinnati Mission Office will welcome the International Secretary of the Holy Childhood Association, Fr. Patrick Byrne, SVD, to our archdiocese in October. Fr. Byrne will be speaking to several archdiocesan parish & school groups about the World Mission Rosary and the work of the HCA overseas. We would love to be able to give World Mission Rosaries to the students who participate in these programs.

We understand that it is the practice of area Rosary Making groups to purchase rosary kits, make the rosaries and donate them to different groups. The Archdiocese of Cincinnati Mission Office humbly requests that rosary making groups purchase and donate World Mission Rosaries for the various events we have with Fr. Byrne around the archdiocese. Our Lady's Rosary Makers www.olrm.org is offering the World Mission Rosary kits to rosary making groups for \$.20 each. The contact person at OLRM is Mike Ford. For more information please contact Teresa Phillips at 513-421-3131 ext 2632 or email tphillips@catholiccincinnati.org For more information on the origin and purpose of the World Mission Rosary please see www.worldmissionrosary.org

If you have a Rosary Making group in your parish, please let them know of this request.
