

4. Education World

www.educationworld.com

www.educationworld.com/a_tech/tech/tech203.shtml (Tech resources)

http://www.educationworld.com/a_tech/techlp/techlp045.shtml (good for Thanksgiving)

SOITA

Professional Development

<https://secure.soita.org/>

Ohio's Live On-line Homework Help Services

www.homeworknow.org

On the CSO Website:

www.catholiccincinnati.org/schools

Click on Schools / Schools Directory. See other AoC schools' Webpages & resources.

Exemplary :

(under Elementary - Greater Cincinnati):

<http://stsusanna.swoca.net/TECHNOLOGY/technologyHOMEPAGE.htm>

(under High School - Greater Cincinnati):

<http://www.saintursula.org/library/projects/>

Free Teacher Webpages Website

www.schoolnotes.com

Teachers create notes for homework & class information, and post to the web in seconds using this free community service. Parents and students view the page simply by entering school zip code.

Sample: enter zip code 45432

Examples:

Mrs. Ballman, St. Luke; Dr. Poston, Carroll H.S.

Catholic School Office Technology Resources for the Classroom

2009-2010

www.CatholicCincinnati.org/schools/technology.htm

All resources listed below are clickable from the above website.*

**If you are a technology or media coordinator, please become acquainted with this entire Webpage.*

Technology Standards and Competencies

- All teachers incorporate technology into curriculum.
- Teachers master same tech skills as students of their grade level.

Responsible Use of Technology Policy

Teachers sign and adhere to policy

For Tech Coordinators: Guidelines for Writing School Technology Plans

CSO Website resources for use of technology in the curriculum:

www.catholiccincinnati.org/schools/curricul.htm

“Best Choices”

Four Websites for new teachers to get to know (Selected from the CSO Curriculum Resources Website)

1. INFOhio

<http://www.infohio.org/>

For an overview of this site: “How to Use” button, top left main page

<http://www.infohio.org/ER/HowToUse.html>

INFOhio is funded by the state of Ohio, free for use by Ohio citizens ~ a WEALTH of information, including free pictures & images for classroom use (please attribute source), maps, encyclopedias, multimedia, quotes, biographies, art, e-books, timelines, test practices & tutorials, foreign languages, maps, primary source documents, newspapers, magazines, parent help for use of the Website, and more.

2. Kathy Shrock’s Webpage (alphabetical list of Websites for classrooms)

<http://school.discovery.com/schrockguide/index-a-b.html>

Kathy Shrock’s Classroom Fair Use Chart (please post in your classroom):

http://school.discovery.com/schrockguide/s_hortcircuits/sos_0405.html

(See August, #1 on that page)

Also use “Sites of the School Days” across the top of her main menu.

3. Internet4classrooms

<http://www.internet4classrooms.com/>

Under “Links for K-12 Teachers” see RESOURCES and “Teacher Tools”

This site includes great teacher helps & free tutorials for Windows PC, Macs, Clarisworks, Word, Excel, PowerPoint, Inspiration, Dreamweaver, and more.
