PRE-OBSERVATION INTERVIEW

It is important that the EYT and mentor discuss these questions. The EYT can prepare notes prior to the interview, but written responses are not required.

EYT: _____ DATE: _____

MENTOR/OBSERVER: _____

1. Discuss the lesson plan. Have there been any changes in your lesson plan or class profile since you completed the form?

2. How does the content of the lesson build on what the students have already learned?

3. How does the content of this lesson relate to future learning?

4. How do the connections between the content, (past, present, and future) of this lesson relate to the discipline as a whole?

5. How have you addressed the needs of any particular students in your class?
