REFLECTION/POST-OBSERVATION INTERVIEW

It is important that the EYT and mentor discuss these questions. The EYT can prepare notes prior to the interview, but written responses are not required.

EYT: _____ DATE: _____

MENTOR/OBSERVER: _____
GRADE: _____ SUBJECT: _____

1. To what extent did you achieve your goals for the lesson? How do you know this?

2. In what ways were your teaching methods and activities effective? How do you know this?

3. Name one part of the lesson that was successful and one part that needs improvement? Give examples.

4. Has anything changed your plan for evaluation?

5. Reflecting on this lesson, what have you learned that will help you improve your teaching?

6. Identify a student who did well in today's lesson. How do you account for their performance? Identify a student who had difficulty? How will you help this student?

7. Based on today's lesson, what do you plan to do next with the class?
