Pride Student Drug Use Survey Order Form

Time To Order Your Student Drug Use Surveys!

Dear Brother Kamis:

The Coalition for a Drug-Free Greater Cincinnati is pleased to again offer your school(s) the opportunity to participate in the Pride Student Drug Use Survey. This is the sixth cycle of the survey and we're pleased to say that schools continue to use this data in addressing the wide range of school, student, and community needs.

Data collected through this survey allows you to evaluate your existing substance abuse prevention programs, more accurately target your limited resources, and provides you with data required for reporting on the No Child Left Behind Act.

Your survey results are strictly protected. Individual school data is not released and participating schools are not identified. The Coalition for a Drug-Free Greater Cincinnati will only publicly release the aggregate, regional data. In 2008, nearly 54,000 seventh through twelfth grade students from 133 schools across Greater Cincinnati participated. Can we count your school in?

The Coalition, to support your effort, will cover \$1.05 of the total \$1.30 per survey cost. Your school(s) will be charged only \$.25 per survey ordered. However, ordering the accurate number of surveys is critical, as the Coalition is responsible for paying for each survey ordered not each survey returned to PRIDE. In order to continue to provide your school(s) with this valuable service, we must charge the full \$1.30 for every survey over 100 copies that is ordered by a school but not used.

Please visit our website to get more information and register for the Survey at www.drugfreecincinnati.org/surveyorder.html

As always, we are happy to answer any questions you may have. Please contact us at (513) 751-8000, or via email at info@drugfreecincinnati.org.

We look forward to working with you!

Sincerely,

Holly J. Molony, MPA
President/Executive Director
