Children's Program

Led by a qualified catechist

Who is this for?

Families, children, youth, young adults, older adults, liturgical ministers, Worship Commission members, parish liturgy coordinators, parish musicians, anyone interested in learning about the celebration of the Eucharist.

What is this about?

Through a 5 evening retreat-like format, participants will deepen their understanding of the various elements of the Mass by reflecting on the liturgy, enabling them to make connections with their everyday lives. Participants will discover how the liturgy transforms us and will learn how to participate in the Mass with hearts and minds attuned to the voice of God speaking to us through this most sacred celebration. These evenings will be evenings of music and celebration, reflection, discussion, and learning. Children in grades 1-6 will have a separate program geared towards their understanding. We will begin and end in church.
