This workshop is for RCIA coordinators and team members who work with those seeking to enter the Church through the RCIA process and are in need of going through the marriage tribunal process (annulment process). Sr. Victoria Vondenberger will address many of the questions that arise when dealing with marriage cases and Christian initiation into the Church.

- Who needs to present a marriage case?
- Do non-Catholics need to go through the tribunal process?
- What is essential for marriage? What could be missing that would enable the Church to declare a marriage invalid?
- What are the rules about which diocese can hear a marriage case?
- How long does the tribunal process take?
- How does being baptized or not baptized affect the kind of case?
- How much does it cost to present a case?
- Who can be witnesses for a marriage case?
- Plus other questions!
