This presentation is divided into three 8-minute segments. It is a comprehensive investigation of the Eucharist. In part one, We Pray, we take a look at Eucharistic Adoration and what it means. In part two, We Participate, we look at the Eucharist at Mass as sacrifice and meal. We learn about the doxology and transubstantiation. Finally in We Practice, we see how we as Catholics share the gift of the Eucharist through our good works. Experts, such as Fr. Brendan Moss, OMI present an authoritative and fascinating exploration of the Eucharist.

This animated program introduces the Ten Commandments in stories that very young children can relate to and understand. Its central characters are youngsters dealing with common situations of a child's modern daily life at home, in school or playing with friends. Each commandment is a separate chapter on the DVD and is introduced by a cheerful monk-teacher. A PDF teacher's guide is included on the DVD, when the DVD is accessed from a computer.

This story of the three Kings is filled with mystery. Noted scholars and theologians use new evidence to discover explanations for the miraculous appearance of a star that led the Three Kings to Bethlehem. By retracing the steps of the Wise Men, we are able to understand the Christmas story and the three Kings who paid homage to the newborn Jesus in a stable in Bethlehem.

In this DVD Fr. Ron Rolheiser, OMI reminds us that we are a Eucharist people, a Eucharistic church, a community formed and nurtured by the Eucharist. He helps us reflect upon the Eucharist and what it means in celebration and in everyday life.

This presentation is a six-session process designed to stimulate real conversation between Jewish and Christian (especially Catholic) congregations. It consists of a 15-minute discussion starting each section. Sections are:

3. Common Texts, Different Scriptures
4. Seasons of Freedom, Seasons of Rebirth - (connects Passover and Easter as central celebrations in each of the traditions)
5. Metaphors for a Unique Relationship
6. Mending Relationships, Mending the World

Viewers will experience each tradition's understanding of how it walks God's path and how the two faith communities could relate to one another in positive ways. The presentation was produced by members of National Jewish and Catholic organizations noted on the DVD case.

This presentation provides parents, teachers and caretakers with an awareness and overview of how to teach skills in helping children manage their anger. Ross Greene, Ph.D. and J. Stewart Ablon, Ph.D. (Center for Collaborative Problem Solving) address the lack of cognitive skills that cause children to be unable to cope with frustration and situations that demand flexibility. They recognize that children suffer because of their inability to respond in expected ways.

WHEN TEMPER FLARES: UNDERSTANDING AND MANAGING ANGER

(Paraclete Press) 2004
This presentation explores why and how we experience anger and offers practical strategies for expressing anger in constructive, rather than destructive ways. Dr. Charles Spielberger and Dr. Doyle Gentry, both clinical psychologists specialize in the treatment of anger disorders. They deal with anger as an emotion often expressed in extremes, avoidance of showing anger to exploding in a rage and often violence. They show how both approaches can have detrimental effects on physical and emotional health.

Theme: Trust God

This Nooma DVD shows us that we do not have to have it all together to have a relationship with God. Things do not always work out the way we want them to. So where is God when bad things happen? Does God just stand by and watch it happen? Maybe it is when we are in the storms of life that God gets an opportunity to remind us how much we are loved by God.

Themes: Gif

In this Nooma presentation the viewer is asked to consider what we mean when we say God bless America. America has been blessed. Isn't it easy for us to fall into a mindset of viewing "our world" as "the world?" How does what we have, compare to what most people in the world have? Maybe having more that we need is a signal from God to share our blessings with others.

Themes: Gift, Stewardship, Charity, Giving
In this Nooma DVD the presenter asks us to think about breathing. How many of us ever think about our breathing or what it means? In the Bible “breath” is the same as the word for “Spirit.” We have all been created in the image of God and maybe if we had more insight into the meaning of breathing, we would better understand how God created us as human beings.
Themes: Holy Spirit, Trinity, Creation

This Nooma presentation attempts to offer some historical perspective. Have you ever thought about what makes our faith so special? Maybe getting some insight into the actual circumstances that surrounded the first people of the Christian movement would help us put more emphasis on the things that really matter as we try to live as Christians.
Themes: Belief, Resurrection

In this Nooma DVD the presenter asks the viewers to get in touch with the emotion that can be so destructive. We all get angry, from time to time. What is the root of our anger? If we discover where our anger comes from, we can learn to channel it toward something constructive, something bigger than ourselves. Theme: Self Control

In this Nooma presentation we are asked to consider how much time and energy we spend wishing things to be different. If we keep longing for the way things used to be, what does that mean for our life today? How are we and those around us affected if we are not fully present to the “now?” What does it say about our appreciation of our lives and how can we live our lives to the fullest? Themes: Choices, Consequences

This Nooma DVD examines the futility of comparing ourselves to others. Some of us let others dictate who we are and who we will be. Does it say about us if we are unable to accept ourselves without wondering what others think and say about us? Maybe if we knew our true selves we would not give so much time and attention to other people's lives and live more in tune with the life God wants for us. Themes: Self-Image, Peer Pressure, Self-Acceptance

In this Nooma DVD the presenter uses Jesus and the way he prayed to help the viewer examine their concepts and expectations. Does God answer prayer--Some, but not all; sometimes, but not all the time? Could prayer be bigger than God just listening and answering? Maybe we need a fresh perspective on how we approach the things in life that compel us to pray. We look to Jesus as model. Themes: Grief, Death, Dying, Prayer

This Little Rock Scripture Study presents some of the most memorable teachings of Jesus. The study invites participants to deeper appreciation of Jesus’ style of teaching using parables. The study shows how each evangelist used the parables of Jesus to open the way for the Kingdom of God.

This is #20 in the Nooma series and it addresses the perils of busyness, getting overwhelmed with appointments, gatherings and to-do lists. After a while doing so many things and running from place to place doesn't feel like much of a life. Saying "no" is hard. Yet, while we are busy doing good things, are we missing out on something great? Maybe saying "no" would be easier if we knew what it meant to say "yes." Rob Bell helps us to explore that possibility from the perspective of Jesus.
In this Nooma presentation Rob Bell examines the images we have of God. He shows how our understanding of motherhood could help us get a better understanding of who God is and what God is like. God transcends and yet includes what we know as male and female. He challenges us to move beyond the masculine imagery showing that being aware also of the feminine imagery of God gives us a deeper insight into the nature of God.

FOLLOWING JESUS THROUGH THE CHURCH YEAR

This presentation is an eight-part liturgical experience for children and adults. It is a journey through the liturgical seasons as the Church celebrates them today. An eccentric little detective, Krispin, leads the journey visiting places where Jesus lived and ministered and where his followers continued to preach the Good News about Him after the Resurrection. Krispin meets people who have known Jesus and whose lives have been changed by Him. He listens to them and shares their faith. The DVD is divided into parts: A brief introduction – Advent Roads – Christmas Crossroads – LENTEN Lane – Holy Week Crossing – Resurrection Road – Pentecost Passage – Christian Corner – Witness Way. Video availability is VC 0733.01 – VC 0733.08.

ANGEL’S CHURCH YEAR LESSON, THE

Angel Vita and her helpers invite children on a journey through the Church year in this presentation. Children learn about what happened to Jesus in each Church season including Advent, Christmas, Epiphany, Lent, Easter, Pentecost and Ordinary Time. They also learn that knowing, loving and following Jesus makes their lives fuller and richer. Video availability is VC 1385.

ANGEL’S ADVENT LESSON, THE

This presentation is to help children view Advent as a special time in the Church year for preparing for the coming of Jesus. Danny’s guardian angel, Theophane, helps Danny to recapture the real meaning of Christmas. Together they review the meaning of practices like the Advent wreath and the various ways of celebrating Advent. They also recall many of the great Scripture characters from the Advent readings–Mary and Joseph, Elizabeth and Zachary, Isaiah and John the Baptist. Video availability is VC 1954.

ANGEL’S LENTEN LESSON, THE

Theophane, Danny’s guardian angel, comes to help him see that he probably knows more about Lent than he realizes so there is no need to be disgusted because he has to take a test about Lent. Together they review the meaning of Lent, when it occurs, the significant days and Lenten practices. Danny realizes that he is really ready for the test. Video availability is VC 1286.

ANGEL’S PRAYER LESSON, THE

In this presentation Angel Callista helps children view prayer as a relationship with God. She explains the many ways we pray in our daily lives that are summed up in the Eucharistic liturgy. The angel Callista explains the reasons why we pray and the different forms that prayer takes.

ANGEL’S MASS LESSON, THE

This presentation is designed to help children view the Mass as a special moment in their week for remembering and celebrating the words and deeds of Jesus. It encourages them to see going to Mass as a privilege rather than something they may take for granted. The Angel Veritas takes Danny, who is angry at his parents for not letting him miss Mass to go on a trip, back in time to witness the faith of people of the early Church and to experience their joy and enthusiasm. He comes to see his faith as a precious gift. Video availability is VC 1491.

ANGEL’S SACRAMENT LESSON, THE

Angel Christina helps the children understand that sacraments are not “things” but rather encounters with Jesus. She tells them how each of the sacraments is a sign that points to a deeper reality. She explains each sacrament and how Jesus is encountered through each one. Video availability is VC 2138.

ANGEL’S FIRST RECONCILIATION LESSON, THE

This presentation offers children information about friendship with Jesus, forgiveness and the Rite of Penance. It walks the children through the various steps of the Rite. The angels show children how to examine their consciences before receiving the sacrament and then describe in detail the steps of the Rite of Penance. Video availability is VC 1850.

ANGEL’S FIRST COMMUNION LESSON, THE

In simple clear language Angel Michaela and friends talk to the viewers about ways they can prepare for their First Communion: 1) by praying every day; 2) by paying close attention in religion class; 3) by going to Mass every week with their family; 4) by reading stories from the Bible. They remind children of their baptism and of the forgiveness they receive in the sacrament of Penance. Video availability is VC 1759.

FIREPROOF

This presentation is an entertaining and challenging reminder of what it takes to make marriage work. At work inside a burning building Captain Caleb Holt lives by the old firefighter's adage, "Never leave your partner behind." At home in the cooling embers of his marriage, he lives by his own rules. His job is to rescue others. Now he is ready to face his toughest job ever— rescuing his wife’s heart. Kirk Cameron and Erin Bethea star in the feature film.

SR THEA: HER OWN STORY

This is a memoir of the renowned gospel singer, teacher and preacher Sr. Thea Bowman. Sr. Thea was a member of the Franciscan Sisters of Perpetual Adoration. She was the granddaughter of a slave whose scholarship and talent led her to become a leading voice in the U.S. Catholic Church. Thea helped to found the Institute for Black Catholic Studies at Xavier University in New Orleans. Her indomitable spirit allowed her to rise above the pain of terminal illness to teach and preach until the last possible moment. Thea died of cancer in 1990 at age 53.
This presentation takes an engaging look at the seasons of Advent and Lent. Both segments explain customs, traditions and prayers as well as ways to celebrate the two seasons of the Church year. Gaynell Cronin is the presenter and she helps the viewer appreciate the spiritual dimension of the Advent and Christmas season. Likewise, she challenges the learners to deepen their understanding of Lent as a time to turn to God and to look at the way Jesus lived his life. She takes the viewer on a journey through the forty days of Lent and the events of Holy Week into the Easter Resurrection. Video availability is VC 1996.

This presentation is historical and traces the evolution of the Mass showing how it was shaped and reshaped by times and culture as well as the development of theology. It is divided into five historical periods making it user-friendly. A study guide (PDF) is included on the DVD and can be downloaded. There is a Spanish edition on the DVD.

Note: Because the presentation is primarily historical the rituals portrayed do not always conform to the 2002 liturgical norms of General Instruction of the Roman Missal for the USA. Video availability is VC 1955.

Every time a Pope dies, or resigns, the world expects a new great moral leader to emerge. Over the past 2000 years, the Catholic Church has been steered by no fewer than 265 popes through many storms and perils. What has made this unbroken chain of successions possible? How is a Pope elected? This new film gives the answers and introduces us to the extraordinary atmosphere of the Conclave.

From the moment he appeared on the balcony of St. Peter’s Basilica, Pope Francis won the hearts of the people. With characteristic humility, simplicity, and closeness to the poor, he has initiated a fundamental reform of the Vatican’s government, challenged a “globalization of indifference,” and become the most talked about person in the world. This DVD takes a critical and in-depth look at how one man has quickly changed the face of Catholicism at a moment when no one really expected it.
