Join us as we explore mercy on a global scale

“In this Holy Year, we look forward to the experience of opening our hearts to those living on the outermost fringes of society...
How many uncertain and painful situations there are in the world today!
Let us open our eyes and see the misery of the world, the wounds of our brothers and sisters who are denied their dignity, and let us recognize that we are compelled to heed their cry for help!
May their cry become our own, and together may we break down the barriers of indifference...”

Misericordiae Vultus, Pope Francis

Vessels of Mercy
A Retreat for Solidarity

From the Archdiocese of Cincinnati Catholic Social Action Office & Catholic Relief Services

Does something tug at your heart when you read the Pope’s invitation to mercy for the whole world?
How can we learn to live out this solidarity to which our faith calls us?

Join us for a unique retreat that will engage our hearts, minds, and hands and lead us into a deeper understanding and practice of global solidarity.
There will be a prayer walk, learning stations, speakers, reflection time, and even a taste of global culture. All are welcome!
