Application to Appoint a Vocare Administrator

The Vocare Certification Process of the Archdiocese of Cincinnati requires a local administrator who can submit requests to Vocare support personnel. The Office for Evangelization and Discipleship needs a 'point person' in each parish and school with whom to communicate Vocare information and updates. It is the pastor's responsibility to appoint a *Vocare Administrator* for the local Vocare certification process. It is natural that this person be the Catechetical Leader and Principal for the parish and school. However, when a catechetical leader or principal is unable or unwilling to provide this service to the parish or school, other provisions can be made *by the pastor* by completing the form below.
