

"Moving Our Mission Projects from Charity to Sustainability"

**Workshop with Dr. Kim Lamberty
April 9, 10, or 11, 2019**

What: A workshop to learn methods of transforming mission projects away from models of dependency on outside aid to models of self-sufficiency. (Do no harm!)

This workshop draws on evidence-based development practices to apply them to parish twinning activities/projects, school, college, or church mission trips, CRS programs, and other mission endeavors

Guest speaker: Dr. Kim Lamberty, D. Min., is a senior consultant for CRS (Catholic Relief Service) and has 30+ years of experience with economic development projects in Haiti and worldwide.

Recommended participants: Parish twinning teams, school and church mission trip leaders, CRS promoters, and short & long term missionaries/organizations.
