Junior High Summer Leadership CAMP

is a weekend of fun, exciting learning experiences for incoming 7th and 8th Graders. JH youth will learn about God and the Catholic faith through innovative and interactive discovery sessions. We're **RAISING THE BAR** on:

- What it means to be a young Catholic for today
- Knowing Jesus as the way, the truth and the life
- How to have fun and still be Catholic while you're online
- Respecting yourself and others
- How to pray as young Catholics

The Junior High Summer Leadership CAMP has its origin in the generous mind and heart of **Joseph F. Connelly** - a dedicated, faith-filled leader. Because of his commitment to the faith and the education of youth, hundreds of public school junior high young people have benefited from this annual summer catechetical program. With the addition of leadership skills development, we hope to honor the memory of Mr. Connelly and make him "mighty proud."
